"Together, let's build a restaurant that stands out in a competitive market and leaves a lasting impression on diners."

**LET'S PREPARE THE RECIPE FOR YOUR
RESTAURANT SUCCESS**

01

Concept Development: Defining the restaurant's concept, theme, and branding strategies to create a unique dining experience.

02

Kitchen Design and Layout: Advising on the optimal kitchen layout, equipment selection, and workflow to maximize efficiency and productivity.

03

Recipe Development: Creating unique and innovative recipes that showcase the restaurant's culinary identity while meeting cost and quality standards.

04

Menu Development: Designing menus that align with the restaurant's concept, cater to the target audience, and consider factors like cuisine type, dietary restrictions, and seasonality.

05

Staff Recruiting and Training: Conducting training sessions for kitchen staff on cooking techniques, food safety standards, menu execution, and customer service.

06

Supplier Selection and Negotiation: Assisting in sourcing high-quality ingredients from reliable suppliers at competitive prices to maintain consistency in food quality and control costs.

07

Food Cost Analysis and Control: Implementing systems to monitor food costs, portion sizes, inventory management, and waste reduction strategies to maximize profitability.

09

Operational Support: Offering ongoing support and guidance to address challenges, refine processes, and adapt to changing market trends to ensure long-term success.

08

Quality Control: Establishing standards for food quality, consistency, and presentation to ensure customer satisfaction and maintain brand reputation.

10

Menu Engineering: Analyzing menu performance, identifying popular and profitable items, and making strategic adjustments to optimize revenue and profitability.

AMASENA RESTAURANT THE RITZ-CARLTON DUBAI

A venue where I focused on promoting Arabic cuisine. I developed themed nights such as Kabab Nights, featuring over 50 kabab varieties, and Moroccan Nights, offering a complete Moroccan experience from decor to music and authentic dishes. These creative initiatives led to a remarkable increase in sales by over %200.

Our efforts were recognized with awards for Best Arabic restaurant and Best Restaurant Team within the Marriott group.

ASUMAN

Asuman was a Turkish chocolate shop specialized in a variety of chocolate delicacies.

During my six-month tenure, I worked diligently to overcome the challenge of low sales by enhancing the menu and introducing renowned Turkish dishes. I focused on developing the menu while simultaneously reducing costs.

I expanded the offerings to include breakfast, lunch, and dinner options, which garnered significant popularity,

Additionally, we launched a food truck for the restaurant at Global Village in Dubai, offering desserts which achieved remarkable success.

ESTABENA RESTAURANT

Estabena Restaurant in Dubai was established to offer original Mediterranean cuisine with a hint of Japanese influence. I oversaw the setup of the kitchen for this restaurant from scratch, providing comprehensive services including:

- Developing the concept and the menu
- Designing the layout and maps for the kitchen
- Selecting and procuring equipment
- Recruiting and training staff
- Creating a recipe manual
- providing a list of suppliers

This comprehensive approach ensured a smooth and successful launch for Estabena, establishing its unique culinary identity and positioning it as a standout dining destination in Dubai.

NEXT DOOR KITCHEN

Next Door Kitchen: a cozy and inviting restaurant offering Casual dining & international cuisine

It was a project where I oversaw the establishment of the entire restaurant from scratch, covering everything from the main entrance to the kitchen. It was designed as a casual dining spot offering international cuisine. My responsibilities included:

- Designing the layout and maps
- Planning the kitchen design
- Selecting and procuring equipment
- Recruiting and training staff
- Creating a recipe manual
- Developing the concept
- Establishing a list of suppliers

After its successful launch, I continued to be involved in the management of Next Door Kitchen, ensuring that it maintained its high standards and continued to delight customers with its delicious food and welcoming atmosphere.

We also opened a food cart at Global Village, offering a taste of Next Door Kitchen delights to a wider audience.

NEXT DOOR STREET

A fast-food restaurant that is built upon the success of Next Door Kitchen.

I undertook the complete establishment of this venture from scratch, working closely to ensure its success through the following services

- Developing the concept and the menu
- Designing the layout and maps for the kitchen
- Selecting and procuring equipment
- Recruiting and training staff
- Creating a recipe manual
- Managing the operations after the opening

SHURFA BAY

Shurfa Bay, a restaurant specializing in Middle Eastern cuisine, offers a luxurious and memorable dining experience.

I played a pivotal role in its development, focusing on creating a high-end culinary experience through the following services:

- Developing the concept and the menu
- Designing the layout and maps for the kitchen
- Selecting and procuring equipment
- Recruiting and training staff
- Creating a recipe manual

With a commitment to excellence and attention to details, Shurfa Bay became not just a restaurant but a destination where culinary dreams come true.

PIZZA DI NAPOLI CLOUD KITCHEN

Specializing in authentic Italian pizza.
I worked from A2Z to establish the kitchen,
develop the menu, and create authentic recipes
from the Italian cuisine.

OLIVE & THYME RESTAURANT

We opened Olive & Thyme because Sports City needed real Mediterranean food. Fresh ingredients, bold flavors, made to order. A place where you can dine outdoors surrounded by olive trees and fresh thyme.

Breakfast, lunch, and dinner served daily. Warm service, simple food done right. Come as you are, leave happy. That's always been the goal.

OUR ENVIRONMENT

Step inside to warm interiors with soft lighting and earthy tones. Outside, dining unfolds under the shade of olive trees, surrounded by fresh thyme and open air. A quiet escape in the heart of Sports City.
